

EAACI/GA²LEN/ENDA/DGAKI Allergy School

“State-of-the-art in drug hypersensitivity”

Program

Friday, 24.07.2009

13:00 - 14:00: Registration and room occupation

14:00 - 18:30 Day I: EDUCATIONAL SESSIONS ON BACKGROUND AND TEST METHODS

14:00 – 14:15: Welcome to the summer school

Session I.a. 14:15 – 15:45: The background behind: understanding the mechanisms of drug hypersensitivity with implications for testing

Pathomechanisms of drug hypersensitivity

W. Pichler

Danger signs and cofactors in drug hypersensitivity

K. Scherer

Does molecular biology help to prevent drug hypersensitivity?

M. Pirmohamed

15:45 - 16:30: Coffee break and discussion

Session I.b. 16:30 – 18:30: How to make a test plan incorporating in vivo and in vitro tests

History taking and construction of a test plan

P. Demoly/P. Bousquet

How to perform skin tests to a drug where no protocol does exist

K. Brockow

In-vitro tests (IgE, LTT, LAT, BAT, Immunophenotyping):

M. Blanca/M. Torres

what test can be recommended in the practice for which drug?

18:30 - 19:30: Come together and discussion

19:30 - 20:30: Dinner in the Hotel Aurachhof, afterwards: beer garden possible

Saturday, 25.07.2009

8:00 - 9:00: Breakfast

9:00 - 16:00 DAY II: PRACTICAL SESSIONS ON SKIN TEST AND PROVOCATION TEST PROTOCOLS

Session II.a. 09:00 – 10:30: Skin test course

K. Brockow, A. Romano, M. Torres, P. Bonadonna, M. Grosber, etc.

10:30 - 11:00: Coffee break and discussion

Session II.b. 11:00 – 13:00: Skin test protocols demonstrated with examples

Antibiotics	<i>A. Romano</i>
Anticoagulants	<i>A. Trautmann</i>
Radiocontrast media	<i>K. Brockow</i>
Perioperative drugs (Anaphylaxis)	<i>P. Bonadonna</i>

13:00 - 14:00: Lunch break

Session II.c. 14:00 – 16:00: Provocation test protocols

Skin and provocation tests for local anaesthetics	<i>J. Ring</i>
NSAID provocation for urticaria/anaphylaxis	<i>S. Wöhrl</i>
NSAID provocation for asthma	<i>W. Pichler</i>
General provocation test protocol for other drugs	<i>W. Aberer</i>

16:00 - 16:30: Coffee break and discussion

16:30 - 22:00: Excursion and Bavarian evening

Sunday, 26.07.2009

8:00 - 9:00: Breakfast

9:00 - 14:00 DAY III: EDUCATIONAL SESSIONS ON TREATMENT AND CASE DISCUSSION

Session III.a. 09:00 – 10:30: Prevention and treatment of drug hypersensitivity

Acute management of drug exanthemas

M. Grosber

Therapy of drug anaphylaxis.

F. Rueff

Desensitization in drug allergy.

K. Scherer

10:30 - 11:00: Coffee break and discussion

Session III.b. 11:00 – 12:30: Diagnosis of drug hypersensitivity – presentation of own cases by the participants and/or educational cases by the experts

12:30 - 13:00: Summary of the meeting, feedback and handout of educational material

13:00 - 14:00: Lunch

14:00: Departure
