

# 8th EAACI-GA<sup>2</sup>LEN-Immunology Winter School

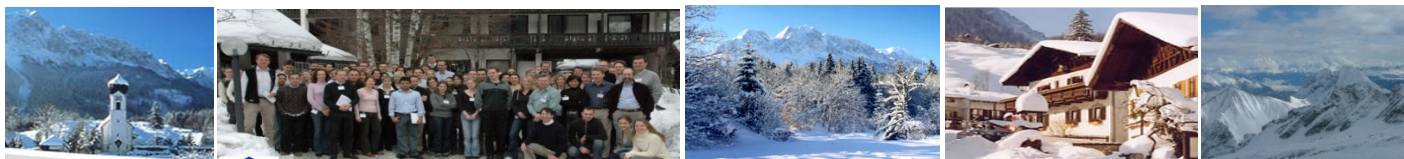

## Basic Immunology Research in Allergy and Clinical Immunology

11.-14. February 2010

Eibsee-Hotel, Grainau  
Grainau, Garmisch-Partenkirchen – Germany

Organized by  
EAACI Immunology Section and Dermatology Section

This meeting is intended for pre- and postdoctoral scientists and young members of the EAACI and of GA<sup>2</sup>LEN centers that are actively involved in basic immunology research in the field of allergy, asthma and clinical immunology.

Topics covered will include:

- Innate and adaptive immunity
- Regulation of the immune response
- Mechanisms of allergic inflammation

### Keynote Speakers:

Shimon Sakaguchi, Kyoto  
Caroline Sokol, Boston  
Mark C. Udey, Bethesda

Yong Jun Liu, Huston  
Jean-Francois Nicolas, Lyon  
Thomas Bieber, Bonn  
Stefan Martin, Freiburg

Seventy participants will be selected based on the scientific quality of the submitted abstract. **Expenses of participants except travel costs will be covered.** In addition, a limited number of travel grants will be available.

Abstract submission will open **November 2nd, 2009** – and close on **November 30th, 2009**.

Details of the abstract submission process will be posted on the EAACI website ([www.eaaci.net](http://www.eaaci.net)) and on the website of the Allergy Research Group Freiburg ([www.uniklinik-freiburg.de/hautklinik/live/forschung/allergy-research-group.html](http://www.uniklinik-freiburg.de/hautklinik/live/forschung/allergy-research-group.html)).

Chair of the Organizing Committee:

**Thilo Jakob, MD**  
Allergy Research Group  
University Medical Center Freiburg  
Germany
